

ACHIEVE HEALTH MANAGEMENT

May 9th, 2022

Dear Testing Coordinators,

Please be advised of the reminders below regarding the end of school year ordering of Covid testing supplies and staffing:

Important Upcoming Dates

- **Friday, May 20-** Last day for school systems to order COVID-19 antigen or PCR tests from vendors for use through **Sunday, July 31**
 - School systems should only order what they can use by July 31.
- **Thursday, June 30-** Last day for vendor staffing support to be on school system campuses/facilities; vendor staffing support will not be permitted to provide services beyond June 30th for the SY2021-2022 grant cycle.

You must have 80% of your SY2021-2022 testing supply orders reported as used before you can order additional supplies. If your reported total tests used does not match the number of tests administered, please contact us as soon as possible.

Please also expect the release of additional information/details on these dates from the TEA and DSHS over the next few weeks.

Kind regards,

Achieve Health Management
